

A diagram illustrating a relationship between a variable and a function. At the top, a white box with a gray border contains the letter 'O'. Below it, a blue arrow points upwards. At the bottom, a gray box with a black border contains the text 'FlashText< T, text, O >'. The arrow indicates that the 'O' in the top box is the output of the 'FlashText' function.

O

FlashText< T, text, O >
